

steering_response_test.steering_test

```
graph LR; A[steering_response_test.steering_test] --> B[steering_response_test.steering_angle_reached]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'steering_response_test.steering_test'. The right box is white with a black border and contains the text 'steering_response_test.steering_angle_reached'. A dark blue arrow points from the right side of the left box to the left side of the right box.
